It's Time to Re-Enroll for the 2022-2023 4-H Program Year!

November marks the beginning of the new 4-H program year, which means it is time to re-enroll youth and program volunteers into the 4-H Online system. **Please note, the enrollment deadline has changed. Starting this year, the deadline to enroll for all youth and volunteers will be March 1st, 2023.**

All 4-H families and volunteers active in 2022 should have received an email from 4-H Online/Belmont County with instructions on how to retrieve your profile and complete the online enrollment process. If you did not get this email and aren't sure how to re-enroll, please call the Extension office for help, otherwise you may accidentally create a new profile. New families will need to start a new family profile to enroll. New families can visit the Belmont County OSU Extension website for documents to help get enrolled in the 2023 4-H year or they can call the Extension office with any questions at (740) 695-1455. We are happy to help!

News & Opportunities

4-H Volunteers

It's that time of year when we start recruiting new 4-H volunteers.

A 4-H Volunteer is any adult who helps with the 4-H program in any way on a regular basis. These may be parents, helpers, committee members, or advisors. However, whatever you call them, they must be an approved Ohio 4-H Volunteer, have an application on file in the Extension office and have passed an Ohio BCI fingerprint background check.

Anyone interested in becoming a 4-H Advisor or volunteer must fill out an application and be approved as an Ohio 4-H Volunteer before they can begin working with a club or committee. If you or anyone you know are interested in becoming a volunteer, please call the Extension office at (740) 695-1455 to start the application process.

All new volunteer applications are due between now and January 31, 2023.

We will hold several New Volunteer Orientation sessions in the coming months. Applicants only need to attend one session.

The first session offered will be on Tuesday, December 13th, at 6:00 p.m. at the Extension office. We will call to schedule sessions after receiving applications.

Steer Tag-In

Youth planning to exhibit a Market Steer project for the 2023 Belmont County Fair must attend **Steer Tag-In on Saturday, November 19th, from 8:00am-10:00am** at the fairgrounds. There will be no make-up date.

Steer Tag-In registration letters were sent home to everyone who was enrolled in the Market Steer project this past year. If you are new to the project, please call the Extension office at (740) 695-1455 to get your packet. You must attend Steer Tag-In on November 19th in order to show your Market Steer at the 2023 Fair. Steers must be castrated and dehorned before tag-in.

Interested in Shooting Sports?

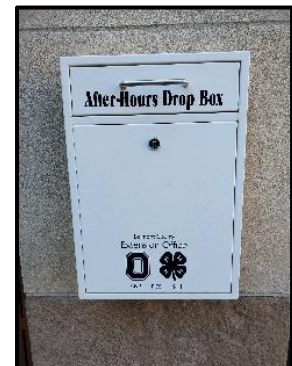

The 2023 Belmont County 4-H Shooting Sports program is set to kick-off this month! The 4-H Shooting Sports program will be having their **MANDATORY safety meeting on November 16, 2022 at 6:00 p.m. at the Wise Building at the fairgrounds. A parent must attend to complete required paperwork.** All youth members ages 9-18 (as of January 1, 2023) interested in shooting sports are invited to attend and check out what the program has to offer! Follow the Belmont County 4-H Shooting Sports Facebook page for more information and schedule updates.

4-H Teen Ambassador Applications

The deadline to become a 4-H Teen Ambassador has been extended through the end of November. This ambassadorship is a great leadership opportunity for 4-H youth between the ages of 14-18 (as of January 1, 2023). Ambassadors help promote the 4-H program through various activities and community service projects. It is a once-a-month commitment. Applications are available by calling or stopping in the Extension office.

Ext. 1987 BELMONT OSU We are in need of more volunteers for our CarTEENS program. This is a wonderful opportunity for older youth looking for leadership activities – plus, you get to do it with friends! The commitment would not be more than once a month. Call the office if you are interested! We are re-vamping the CarTEENS program and trainings start soon!

The Extension office has installed an After-Hours Drop Box outside of our building. It is located to the left of the double entrance doors. Please use this drop box on the evenings and weekends and any other time our office is not open to the public.
