

# 2016 Ohio Beef School

*Webinar series*

Hosted at several county offices in Ohio, Indiana and New York

The beef cattle industry is quickly evolving. Are you prepared to keep pace with it? We plan to explore that evolution with three fast paced, forward thinking sessions being planned for the 2016 Ohio Beef Cattle School webinar series.

**January 19:** Focused on the markets featuring Oklahoma State economist Dr. Derrell Peel & United Producers' Sam Roberts

**February 2:** 'Back to Basics' with OSU Beef Team members addressing a variety of profit centered management concepts

**February 16:** OSU's Dr. Lyda Garcia will focus on the 'end product'

**THE OHIO STATE UNIVERSITY**

COLLEGE OF FOOD, AGRICULTURAL,  
AND ENVIRONMENTAL SCIENCES
