

Take the OSU Extension Health Survey

- Give us 15 minutes to tell us about your health behaviors for sun safety and 7 other areas: sleep, stress, nutrition, physical activity & a few more
- **We will not ask your name, or any other personal identifiers – your information will be aggregated with other farmer responses in Ohio**
- This information will develop future Extension programs and resources for healthy living.
- Use your smart phone to scan the QR code
- www.go.osu.edu/HealthSurvey2020

There is a \$10 gift card incentive for 200 Ohio farmers with completed surveys
